

Representative Payee. Another way MI-UCP is closing the disability divide.

MI-UCP

Let's close the disability divide.

Being legally blind and with cerebral palsy, John needed help with budgeting, organizing finances and even paying his bills.

The MI-UCP Representative Payee Program is here to help Social Security beneficiaries, like John, who need assistance in managing their benefits. Our expert staff will take on the responsibilities of using the benefits to pay for the current and foreseeable needs of the beneficiaries, while providing accurate records of how their benefits are spent.

MI-UCP Representative Payee Services include the following for a minimal fee:

Monthly Budget Development

Payment of Monthly Expenses

Debt Payment Plans

Monthly Statement of Expenses

At MI-UCP, we believe everyone has the right to live to the best of their abilities and go as far as their ambitions will take them. Together, we can help John and more than a million other Michiganders to close the disability divide.
