

2024 MI-UCP
Driving to Close the Disability Divide
Charity Golf Event
Friday, June 14, 2024

MI-UCP **75**
YEARS
Let's close the disability divide

June 14, 2024 will be the
13th Annual Charity Golf Event
The Majestic @ Lake Walden
9600 Crouse Road Hartland, MI 48353

MI-UCP (Michigan United Cerebral Palsy) has been the 2.3 million Michiganders with disabilities since 1949.

As a group, people who live with a disability, have been marginalized and ignored. Often being denied access to education, housing or employment, leaving many struggling with financial stability and independence. All of this has created a disability divide.

Everything MI-UCP does, for the past 75 years, is done to close that divide. From assistive technology to portable and permanent wheelchair ramps, to providing financial and employment services, parent training, advocacy and being a trusted resource.

Our 2024 Golf Event will be Driving to Close the Disability Divide.

Check out the sponsorship opportunities.
