MI-UCP

Let's close the disability divide.

As a 3-year-old boy with cerebral palsy, Ken Bluhm was a poster child for United Way. It was the start of his incredible life journey. Ken earned his BA at CMU and MBA at Walsh. He's currently a director of financial reporting at Blue Cross Blue Shield of Michigan.

At MI-UCP, we believe everyone has the right to live to the best of their abilities and go as far as their ambitions will take them. Ken's story demonstrates that the disability divide can be closed. Which is why his perspective is invaluable as board member of both MI-UCP and the Accounting Aid Society.
